Hi All,

The MPCA Commissioners office recently had a discussion with the Mayors and City Administrators for the cities of St. Louis Park and Edina to address their concerns regarding the proposed NPL listing of the St. Louis Park VOC Solvent Plume.

The intent of this conference call is for a direct briefing of the MPCA Commissioners office by EPA regarding the listing process and flexibility that can be offered to help alleviate concerns identified by the cities. Our Commissioner's office will have follow up discussions with the cities after this call.
